Message from the President

Developing Christian Leaders Who Transform Their World. That is the vision of Maritime Christian College (MCC), and what you will find in this catalogue are many of the ways we strive toward this vision. In 1960 there was a great need for preachers in the Maritimes and so MCC was born. Over 50 years later, the world is smaller and the need is greater. Not only for preachers, but for an innumerable amount of vocational and lay ministries across Canada and the world. For this reason, we are pleased to offer several programs to accommodate your ministry calling and goals. We offer certificates, diplomas, several bachelor degrees and a master's degree to help you serve in the best possible way.

MCC is a small school where the faculty and staff are heavily invested in students. A high student to staff ratio ensures you won't slip through the cracks and you will have ease of access to your professors. We view our small size as a strength; especially because we have full access to the large facilities across the street at the University of Prince Edward Island.

God has a calling on your life; this is true for all Christians. If you are looking for a Biblical foundation as you move into the next stage of life, you will learn more about the Bible in your first year than you have in your entire life so far. If you are pursuing training for vocational ministry, get ready for a long steady journey of spiritual growth, mental stretching and the beginning of effective Kingdom service!

Thank you for picking up our catalogue, I am praying for you even now, and I hope to meet you soon.

Benjamin Foreman

Incorporation

Maritime Christian College began as a vision among a group of Christian individuals who were intensely interested in the Lord's work in the Canadian Maritimes. The vision was fulfilled when the Government of Prince

Edward Island, by granting Letters Patent, incorporated Maritime Christian College on January 19, 1960. Thus Maritime Christian College became Prince Edward Island's only Bible College.

Location and Facility

Maritime Christian College is located in Charlottetown, the capital city of Prince Edward Island.

For the first three decades the College shared facilities with a local church. In 1993 the College purchased its own campus at 503 University Avenue, which is adjacent to the University of Prince Edward Island.

This campus offers students exceptional facilities consisting of on-site residence, classrooms, library, student lounges, etc. The close proximity to the University also enables access to the University facilities, which include their library, cafeteria and sports facilities.

Affiliation

From its conception, Maritime Christian College has been affiliated with and supported by the Christian Churches, Churches of Christ. These Churches are a part of the Restoration Movement, which began in the 19th century by such men as Alexander Campbell and Barton Stone. This Movement is based on a plea for unity among God's people by restoring the essential elements of Biblical Christianity. Through the years Maritime Christian College has been providing solid, Biblically-oriented education for Christian leaders who are preparing for a variety of ministry opportunities in the Maritimes and around the world.

Maritime Christian College is a coeducational institution of higher learning for the purpose of conferring certificates, diplomas and degrees as chartered by the Legislature of Prince Edward Island.

Our Vision

Developing Christian leaders who transform their world.

Our Mission

- Educating students in a Biblical worldview
- Equipping students to become servant-leaders
- Empowering students to make disciples

Our Core Values

We honour the Bible and its authority.

We practice Christ-like compassion.

We cultivate partnerships with local churches.

We exercise faithful stewardship of kingdom resources.

We pursue excellence in all things.

Character

The character of the College is clearly defined in Maritime Christian College's Fourth By-Law.

- The Maritime Christian College, in its endeavour to educate and equip men and women for Christian service, shall make the Bible its chief textbook, arrange all its courses of study and conduct its work in harmony with the spirit and letter of the Word of God. To this end every director, officer and teacher must be a member of the Church of Christ (undenominational) and must believe, without reservation, in the full and final inspiration of the Bible to the extent that it is to them the infallible Word of God and therefore the all-sufficient rule of faith and life; in the Deity and Supreme authority of Christ; obedience to the Gospel; the edification of the Church; and the restoration of its unity on the New Testament basis.

- Believing that such faith and a church with a program in harmony with this faith are essential to the salvation of the world, the Maritime Christian College shall endeavor to so educate and inspire its students as to make them effective servants of Christ.
- This school must be independent, separate and apart from all other agencies. While intending to antagonize none, but seeking the friendship and co-operation of all in proportion that like aims are cherished, the Maritime Christian College shall press on to train Christian workers to preach, teach and live Christ.

Our Learning Outcomes

Maritime Christian College has adopted five student learning outcomes that are relevant to the student in carrying out life long learning and ministry.

1. Live Faithfully.
2. Think Biblically.
3. Grow Intellectually.
4. Improve Professionally.
5. Learn Continually.

Accreditation/Articulation

MCC is recognized by our provincial legislature as a degree-granting body through The University Act. However, MCC is not accredited through the Higher Learning commission, Association of Biblical Higher Education, or similar body. MCC has begun securing articulation agreements with similar, though fully-accredited, institutions throughout Canada and the United States for the purpose of furthering one's education.

ACADEMIC STANDARDS

Academic Work Load

A semester hour of credit represents one hour of classroom instruction per week for one semester. A student enrolled for 12 or more semester hours is considered a full-time student, however, 15 semester hours is considered a full load of course work. A student may not enroll for more than 18 semester hours without the permission of the Academic Dean. The College expects that a student devote at least 2 hours of study preparation and research for each hour of classroom instruction.

Grades

Maritime Christian College believes that a high academic standard is essential. Grades are necessary to measure the amount of knowledge which is adequate for successful completion of a course or a College degree. The following system of grading is used:

Letter	Description	Numerical Value	Grade Points
A	Excellent	96-100	4.00
A-		94-95	3.67
B+		92-93	3.33
B	Good	88-91	3.00
B-		85-87	2.67
C+		82-84	2.33
C	Average	78-81	2.00
C-		75-77	1.67
D+		72-74	1.33
D	Passing	68-71	1.00
D-		65-67	0.67
F*	Failing	0-64	0.00
P	Passing		0.00
I**	Incomplete		0.00
AU	Audited Course		0.00
WP	Withdrew Passing		
WF	Withdrew Failing		

* Percentage of Failing grade will be computed toward student's numerical average.

** The incomplete mark is for the student who, due to extenuating circumstances, is unable to complete the final exam or other work for a course by the posted end date for the course. In conjunction with the professor's agreement and the

establishment of a schedule with due dates for completed work, the student will receive an Incomplete instead of a failing grade on their report card. Any Incomplete courses will not be applied to the student's overall G.P.A. If the assigned work is not completed by the set due date, a grade of F will be applied to the student's overall G.P.A.

Dean's List

A list of those students who have successfully completed a minimum of 15 semester hours with an average of 3.00 G.P.A. or above will be posted each semester.

Probation

There is an expectation that a student will achieve a certain minimum of academic standard per semester. The following scale outlines these expectations:

- 1.00 after 1st semester
- 1.33 after 2nd semester
- 1.67 after 3rd semester
- 2.00 after 4th semester

Students whose average falls below the above in any semester will be placed on academic probation for the following semester and may be required to lengthen the time for completing the remainder of their program.

Conditions of Probation

- Students on academic probation are not permitted to take more than 10 hours of course work in any semester.
- Students must curtail extra-curricular activities until the end of their probation period.
- Students on academic probation must terminate their programs at the end of that semester if the probationary status is not removed or extended by achieving an average for the semester equal to or higher than that required. Exceptions must be approved by the Academic Dean.
- At the end of each semester, students on academic probation are considered by the Academic Dean, in consultation with the faculty if necessary, for the purpose of determining their future academic status.

- If a student does not meet the minimum requirements while on academic probation they must take a semester off and reapply with new references, essay and/or transcripts stating where they've been since they left school, what they have learned and what their plans are if accepted back into the program.

Declaration of Program of Study

All students must specify the program under which they plan to matriculate at the commencement of their second year.

Change in Schedule

Any change, withdrawal or transfer of courses will be permitted for four weeks following the first day of classes with a full tuition refund. A 50% refund of tuition fees will be allowed until mid-term. Withdrawal from a course after mid-term shall result in a grade of WF for that course, except for extenuating circumstances when a WP may be given.

Textbook Policy

Textbooks and course materials are ordered and provided to students at the College office as part of registration. Textbooks are non-refundable after registration day.

MCC Courses

Most of our programs include classes on site. Due to a three year rotation and program conflicts, some courses are offered through the Consortium for Christian Online Education. These are considered MCC courses and are not subject to the transfer credit limit.

Online courses are taught in seven or eight week blocks. This may require enrollment prior to MCC's start dates or after MCC's finish dates as posted in the Master Calendar. Please be aware of the work load expected in each class. Many classes require daily input during the week.

University Courses

Most of our programs beyond the Biblical Studies Certificate include a number of Liberal Arts courses. These shall normally be taken at MCC, however they may be taken at UPEI or another university with the permission of the Academic Dean.

Transfer of Credits/CLEP

MCC will accept transfer credits from approved universities and colleges or the College-Level Exam Program (CLEP) with a grade point at or above C level, for each course transferred. A candidate for a degree from Maritime Christian College must earn at least sixty-four semester hours of credit from the MCC curriculum. The final thirty-two hours must be taken as a resident student at Maritime Christian College (approved university and/or online courses may form up to 50% of this final year's work).

Up to 9 semester hours, through online courses, may be transferred from other approved educational institutions to complete a degree from MCC. These courses are to be completed by the end of the first semester in the year of graduation. Students must have prior written approval from the Academic Dean to take any online courses.

Statute of Limitation on Finishing Degree Program

MCC will allow up to 10 years to finish a degree program. After 10 years many classes may have to be retaken due to changes.

Christian Service Program (P11)

The concept of student ministries is fundamental to a Biblically based higher education. Not only are students given the opportunity to put into practice what they learn in the classroom, but, more importantly, they become aware of, and are involved in, helping to serve the needs of others.

Internship (P37)

The B.A. (Bible), B.A. (General Studies), B.A. (Child & Youth), B.B.M. and the Ministerial Diploma programs require an internship during the last two years of the program. The intern is under the supervision of a designated supervisor at their location and

will also be supervised by the College as a part of the entire Internship Program.

Internship is a part of the academic program of the College worth one semester hour credit per semester. Summer internships may also be available. One credit hour of internship equals ten hours work each week during the semester, or ten hours per week for two and a half months during the summer.

GOVERNMENT SPONSORED LOANS

Government Student Aid Programs are designed to provide financial assistance to those who cannot otherwise afford to continue their education beyond high school. The program is intended to supplement and not replace the applicant's available resources. To qualify for assistance you must be a Canadian or have permanent resident status (landed immigrant). For answers on all these programs, contact the Student Financial Assistance Office of your province.

Canada Student Loans are federally guaranteed loans repayable with interest, although interest free during the period of study. Repayment begins six months after the end of study. Maximum assistance is \$210 per week of study. To be eligible one must be enrolled in a minimum of 60% of a full-time course load (part-time students also may apply for loans, using special application forms, obtained from the various provincial Student Aid Offices within the Department of Education).

Provincial Student Loans are provincially subsidized loans repayable with interest, although interest free while studying and for six months thereafter when repayment begins. Maximum assistance is \$165 per week of study. Eligibility is the same as above.

WORK OPPORTUNITIES

Charlottetown has a number of stores, restaurants, etc., where our students may obtain part-time employment to support themselves while attending classes at MCC. The number of hours of work and of classes per week should be balanced so that the student is not overburdened.

The Resident Assistant Work-Study Grant is awarded by Maritime Christian College to provide financial aid to the student chosen for the position of Resident Assistant for the semester. The work-study grant is equal to the value of a dorm room for the current semester and is to be applied directly to the student's account for his or her room.

STUDENT LIFE

Spiritual Life

At Maritime Christian College, it is expected that each student who has enrolled has done so for the purpose of growing in Jesus Christ. The atmosphere is one of helping each student prepare to serve the Lord.

Spiritual growth is an essential part of development in Christian servanthood. The College has regularly scheduled events like devotions and chapel where students, faculty and staff are challenged to live a Christ-like life. The outcome of an MCC education is to become an active disciple for Jesus.

Discipline

Maritime Christian College desires that students abide by a Christian moral conduct as based upon the Bible. The College endeavors to keep rules to a minimum in order not to hinder student life but does expect a high moral standard to be kept by the students.

We expect our students to be knowledgeable of the rules and regulations of Maritime Christian College as laid out in this Catalogue and the Student Handbook. Each student who enrolls is in effect consenting to abide by these regulations. Ignorance of and refusal to abide by the rules will lead to disciplinary action.

Student Association

Maritime Christian College has a Student Association, which represents the student body. The Association gives voice to student issues. The Student Association elects its own officers each year and coordinates most of the student activities at the College with guidance provided by the Director of Admissions.

University of Prince Edward Island

Our proximity to the University of Prince Edward Island allows for frequent visits to their campus. MCC has made provision with the University, which allows College students access to many of

their facilities. Students are encouraged to remember that their behavior should always reflect the highest in Christian morals.

SPECIAL EVENTS

EXALT!

Every fall the College hosts a Maritime Youth Conference called EXALT! This three-day rally is a time of Spiritual challenge and is designed for students in grades nine to twelve.

EXALT! consists of special speakers, workshops, music, fellowship time, recreation and food. The students share the planning responsibility with the faculty. All who attend the College are expected to be active in making this an exciting weekend for youth who may be searching and who need to commit their lives to deeper service to the Lord.

Leadership Advance

Each spring and fall the College hosts a Leadership Advance. This Friday evening to Saturday noon event provides leaders in the church a time of encouragement in their walk with God, an environment to talk with their colleagues and an opportunity to think and strategize how they can lead their churches to an even greater impact.

The Kenneth T. Norris Lectureship

Each year in March, the College hosts a series of lectures. These lectures began when the College was established and in 1980 became known as the Kenneth T. Norris Lectureship. The Lectureship provides an opportunity for the students, friends and supporters of the College to hear some of the most outstanding speakers from the fellowship of the Christian Churches or Churches of Christ in North America.

The week of the Lectureship is always a highlight, it is an action-packed and event-filled week with both morning and evening lectures. Friendships are made and renewed and the time of study and learning creates excitement which proves to be, for many, the spiritual apex of their year.
