Message from the Academic Dean

Thank you for taking time to download Maritime Christian College's Academic Catalogue. It is exciting to know you have a desire to learn more about God and disciple making. Jesus has called all his disciples to follow him and make disciples wherever we may go. The challenge is our desire is there but we're not sure how to move forward.

Maritime Christian College (MCC) offers disciple making courses taught by leaders who are involved in disciple making within their own congregations or within their personal lives. The College offers a: Disciple Maker Certificate, Disciple Making Church Leadership Certificate, Youth Disciple Making Ministry Certificate, our new Disciple Maker's Path for individuals interested in exploring disciple making without having to commit to a full-course load typical of a university student, and CoVocational Certificate. Each certificate is a balance of Bible/Theology courses along with disciple making courses.

The College uses Populi, a learning management system (LMS) for all of its online courses. Populi is like a virtual classroom where the student can access their current classes, ask questions, find their assignments, post their homework, and check their grades. It is also where you meet your fellow classmates and have online discussions.

- a. The Disciple Maker Certificate consists of two levels of five courses each highlighting Jesus' emphasis on making disciples with practical real-world application.
- b. The Disciple Making Church Leadership Certificate consists of five courses designed to aid people in turning their church around with a disciple making focus.
- c. The Youth Disciple Making Ministry Certificate will aid the youth worker as they shift the focus from a traditional setting to one of a disciple making culture.
- d. The Covocational Certificate will aid the entrepreneur in their quest to start something new within their community.

God has a desire for all people to know Him. He has placed each of us in a position where we can influence others through discipleship. Jesus had chosen this method as a means to train his disciples to reach the world. I invite you in on this great journey of faith.

Incorporation

Maritime Christian College began as a vision among a group of Christian individuals who were intensely interested in the Lord's work in the Canadian Maritimes. The vision was fulfilled when the Government of Prince Edward Island, by granting Letters Patent, incorporated Maritime Christian College on January 19, 1960. Thus Maritime Christian College became Prince Edward Island's only Bible College.

Location and Facility

Maritime Christian College offices are located at 9 Lilac Avenue, Charlottetown, Prince Edward Island.

For the first three decades the College shared facilities with Central Christian Church. In 1993 the College purchased its own campus at 503 University Avenue, adjacent to the University of Prince Edward Island. In 2023 the College sold its property at 503 University Avenue and now rents office space from Sherwood Christian Church at 9 Lilac Avenue, Charlottetown, Prince Edward Island.

The primary location of the College is online at www.mccpei.com plus classroom space online with its Populi Learning Management System. Students from around the globe can enroll in a class as long as they have some form of computer and an internet connection. The College makes use of Perlego.com as an option for an online library resource. Classes are asynchronous and on a 14 week semester unless otherwise stated on an individual program. The Disciple Makers Path is 8 weeks per course as scheduled. At this time the College offers certificate programs at the undergraduate level. The College offers an MA in Disciple Making and Ministry Leadership please see the Master's Academic Catalogue

Affiliation

From its conception, Maritime Christian College has been affiliated with and supported by the Independent Christian Churches. These Churches are a

part of the Restoration Movement, which began in the 19th century by such men as Alexander Campbell and Barton Stone. This Movement is based on a plea for unity among God's people by restoring the essential elements of biblical Christianity. Through the years Maritime Christian College has been providing solid, biblically-oriented education for Christian leaders who are preparing for a variety of ministry opportunities in the Maritimes and around the world.

Our Purpose

To biblically educate and equip people to become disciples of Jesus who make disciples anywhere in the world.

Our Core Values

- We honour the Bible and its authority.
- We provide quality educational experiences for our students and we set high expectations for students to apply what they learn to their lives and ministries.
- We cultivate partnerships with churches and other like-minded organizations to make disciples.
- We exercise faithful stewardship of kingdom resources.
- We are passionate about making disciples of Jesus as He commanded us to do.

Character

The character of the College is clearly defined in Maritime Christian College's Fourth By-Law.

"The Maritime Christian College, in its endeavour to educate and equip men and women for Christian service, shall make the Bible its chief textbook, arrange all its courses of study and conduct its work in harmony with the spirit and letter of the Word of God. To this end every director, officer and teacher must be a member of the Church of Christ (undenominational) and must believe, without reservation, in the full and final inspiration of the Bible to the extent that it is to them the infallible Word of God and therefore the all-sufficient rule of faith and life; in the Deity and Supreme authority of Christ; obedience to the Gospel; the edification of the Church; and the restoration of its unity on the New Testament basis.

Believing that such faith and a church with a program in harmony with this faith are essential to the salvation of the world, the Maritime Christian College shall endeavor to so educate and inspire its students as to make them effective servants of Christ."

Our Learning Outcomes

Maritime Christian College has adopted five student learning outcomes that

are relevant to the student in carrying out life-long learning and ministry.

1. Live Faithfully.
2. Think Biblically.
3. Grow Intellectually.
4. Improve Professionally.
5. Learn Continually.

Online Classes

MCC's online classes have been developed with unique aspects to learn and immediately apply the learning to the student's own community and context:

- They are asynchronous – you take them at the time and place that fits your schedule throughout the week in order to meet the weekly assignment deadlines.
- Digital engagement – each online class requires engagement in discussion forums between students and the Professor to show application of the teaching.
- Small Class Size – each class has a maximum enrollment of 12 students in order to create a better relational environment for discussion forums

** The incomplete mark is for the student who, due to extenuating circumstances, is unable to complete the final exam or other work for a course by the posted end date for the course. In conjunction with the professor's agreement and the establishment of a schedule with due dates for completed work, the student will receive an Incomplete instead of a failing

grade on their report card. Any Incomplete courses will not be applied to the student's overall G.P.A. If the assigned work is not completed by the set due date, a grade of F will be applied to the student's overall G.P.A.

Withdrawal from a course after week four shall result in a grade of WF. If a student withdraws during week one to four and is doing passing work, a grade of WP shall be given.

Dean's List

A list of those students who have successfully completed a minimum of 15 semester hours with an average of 3.00 G.P.A. or above will be posted each semester.

Probation

There is an expectation that a full time student will achieve a certain minimum of academic standard per semester. The following scale outlines these expectations:

- 1.00 after 1st semester
- 1.33 after 2nd semester
- 1.67 after 3rd semester
- 2.00 after 4th semester

Full-time students whose average falls below the above in any semester will be placed on academic probation for the following semester and may be required to lengthen the time for completing the remainder of their program.

Conditions of Probation

- Students on academic probation are not permitted to take more than 10 hours of course work in any semester.
- Students on academic probation must terminate their programs at the end of that semester if the probationary status is not removed or extended by achieving an average for the semester equal to or higher than that required. Exceptions must be approved by the Academic Dean.
- At the end of each semester, students on academic probation are considered by the Academic Dean, in consultation with the faculty if necessary, for the purpose of determining their future academic status.
- If a student does not meet the minimum requirements while on academic probation they must take a semester off and reapply with

new references, essay and/or transcripts stating where they've been since they left school, what they have learned and what their plans are if accepted back into the program.

Withdrawing from Courses

- Part-time students – tuition and fees are non-refundable after registration day
- Full-time students – withdrawal from a course will be permitted for four weeks following the first day of classes with the following tuition refund:
 - 75% refund of tuition fees for the first two weeks
 - 50% refund of tuition fees for the third week

 - No refund of tuition fees after the fourth week
- Withdrawal from a course after week four shall result in a grade of WF for that course, except for extenuating circumstances when a WP may be given.
